1. **INSTALLATION AND USE RIGHTS.**

    a) **General.** You may install and use the Software solely for the Purpose stated above.

    b) **Sample Content**. The Software may include sample content (e.g., models, meshes, gauges, and sound files). You may use such content solely internally and for assisting with the Purpose. You are expressly prohibited from using the sample content for any other purpose, including any external distribution, display, or performance of the sample content.

    d) **Changes**. If you make any modifications, contributions or changes to the Software ("Changes"), you hereby grant Microsoft the perpetual, royalty-free, worldwide and irrevocable right to freely copy, modify, distribute and otherwise use such Changes, including sharing the Changes with the MSFS community. You represent and warrant your Changes will not violate any applicable laws and will not infringe on any third party intellectual property rights.

    e) **Trademark Usage**. If Microsoft makes available its trademarks as part of the Software, your use must comply with the Microsoft Trademark & Brand Guidelines, available at: https://www.microsoft.com/en-us/legal/intellectualproperty/trademarks/usage/general.aspx

    g) **Competition**. You are prohibited from using the Software, including any of its components, for the development of a competing flight simulator product or for the purpose of competitive benchmarking, competitive analysis, AI or machine learning, or intelligence gathering. You agree that Microsoft will suffer irreparable harm in the event you breach this Section 1(g) and that monetary damages in such event would be inadequate to compensate Microsoft. Consequently, Microsoft will be entitled, in addition to such monetary relief as may be recoverable by law, to such temporary, preliminary and/or permanent injunctive relief as may be necessary to restrain any continuing or further breach by you, without showing or proving any actual damages sustained by Microsoft.

    h) **Disqualification**. Microsoft may disqualify any MSFS Add-Ons for any reason, including security, reputational or compatibility concerns. Microsoft may, without liability to you, publicly discourage users from using disqualified MSFS Add-Ons.

2. **SCOPE OF LICENSE.** The Software is licensed, not sold. Microsoft reserves all other rights. Unless applicable law gives you more rights despite this limitation or unless otherwise approved in writing by Microsoft, you will not (and have no right to):

    a) work around any technical limitations in the Software that only allow you to use it in certain ways;

b) reverse engineer, decompile, or disassemble the Software, or attempt to do so, except and only to the extent permitted by licensing terms governing the use of open-source components that may be included with the Software;

c) remove, minimize, block, or modify any notices of Microsoft or its suppliers in the Software;

d) use the Software in any way that is against the law or to create or propagate malware;

4. **EXPORT RESTRICTIONS.** You must comply with all domestic and international export laws and regulations that apply to the Software, which include restrictions on destinations, end users, and end use. For further information on export restrictions, visit http://aka.ms/exporting.

5. **SUPPORT SERVICES.** Microsoft is not obligated under this agreement to provide any support services for the Software. Any support provided is "as is", "with all faults", and without warranty of any kind.

6. **TERMINATION.** Without prejudice to any other rights, Microsoft may terminate this agreement if you fail to comply with any of its terms or conditions. In such event, you must destroy all copies of the Software and all of its component parts.

7. **ENTIRE AGREEMENT.** This agreement, and any other terms Microsoft may provide for supplements, updates, or third-party applications, is the entire agreement for the Software.

8. **APPLICABLE LAW AND PLACE TO RESOLVE DISPUTES.** If you acquired the Software in the United States or Canada, the laws of the state or province where you live (or, if a business, where your principal place of business is located) govern the interpretation of this agreement, claims for its breach, and all other claims (including consumer protection, unfair competition, and tort claims), regardless of conflict of laws principles. If you acquired the Software in any other country, its laws apply. If U.S. federal jurisdiction exists, you and Microsoft consent to exclusive jurisdiction and venue in the federal court in King County, Washington for all disputes heard in court. If not, you and Microsoft consent to exclusive jurisdiction and venue in the Superior Court of King County, Washington for all disputes heard in court.

9. **CONSUMER RIGHTS; REGIONAL VARIATIONS.** This agreement describes certain legal rights. You may have other rights, including consumer rights, under the laws of your state or country. Separate and apart from your relationship with Microsoft, you may also have rights with respect to the party from which you acquired the Software. This agreement does not change those other rights if the laws of your state or country do not permit it to do so. For example, if you acquired the Software in one of the below regions, or mandatory country law applies, then the following provisions apply to you:

a) Australia. You have statutory guarantees under the Australian Consumer Law and nothing in this agreement is intended to affect those rights.

b) Germany and Austria.

i. Warranty. The properly licensed Software will perform substantially as described in any Microsoft materials that accompany the Software. However, Microsoft gives no contractual guarantee in relation to the Software.

ii. Limitation of Liability. In case of intentional conduct, gross negligence, claims based on the Product Liability Act, as well as, in case of death or personal or physical injury, Microsoft is liable according to the statutory law.

Subject to the foregoing clause ii., Microsoft will only be liable for slight negligence if Microsoft is in breach of such material contractual obligations, the fulfillment of which facilitate the due performance of this agreement, the breach of which would endanger the purpose of this agreement and the compliance with which a party may constantly trust in (so-called "cardinal obligations"). In other cases of slight negligence, Microsoft will not be liable for slight negligence.

10. **DISCLAIMER OF WARRANTY. THE SOFTWARE IS LICENSED "AS IS." YOU BEAR THE RISK OF USING IT. MICROSOFT GIVES NO EXPRESS WARRANTIES, GUARANTEES, OR CONDITIONS. TO THE EXTENT PERMITTED UNDER APPLICABLE LAWS, MICROSOFT EXCLUDES ALL IMPLIED WARRANTIES, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.**

11. **LIMITATION ON AND EXCLUSION OF DAMAGES. IF YOU HAVE ANY BASIS FOR RECOVERING DAMAGES DESPITE THE PRECEDING DISCLAIMER OF WARRANTY, YOU CAN RECOVER FROM MICROSOFT AND ITS SUPPLIERS ONLY DIRECT DAMAGES UP TO U.S. $5.00. YOU CANNOT RECOVER ANY OTHER DAMAGES, INCLUDING CONSEQUENTIAL, LOST PROFITS, SPECIAL, INDIRECT, OR INCIDENTAL DAMAGES.**

This limitation applies to (a) anything related to the Software, services, content (including code) on third party Internet sites, or third party applications; and (b) claims for breach of contract, warranty, guarantee, or condition; strict liability, negligence, or other tort; or any other claim; in each case to the extent permitted by applicable law.

It also applies even if Microsoft knew or should have known about the possibility of the damages. The above limitation or exclusion may not apply to you because your state, province, or country may not allow the exclusion or limitation of incidental, consequential, or other damages.
